Devoted An Elixir Novel

Devoted is the sequel to the New York Times bestselling novel Elixir by American entertainer Hilary Duff with Elise Allen. It was published and released to booksellers on October 11, 2011. It is the second in an unnamed trilogy by Duff and Allen. After the release of Elixir in 2010, Duff stated that she intended to write more in the series. She said, however, that nothing had been put down as ...

Lost Horizon, by James Hilton, free ebook. CHAPTER II. It was typical of Conway that he let the others waken for themselves, and made small response to their exclamations of astonishment; yet later, when Barnard sought his opinion, gave it with something of the detached fluency of a university professor elucidating a problem.

Kafka's last and longest novel, The Castle, was written in the shadow of death, and its snow-covered landscape contains no hint of green. Kafka didn't finish this novel, and he didn't want it to be published. Why did he write it? One suspects that he wrote it out of sheer love of literature, and out of a need to release what was on his mind.

Chemistry - Chemistry and society: For the first two-thirds of the 20th century, chemistry was seen by many as the science of the future. The potential of chemical products for enriching society appeared to be unlimited. Increasingly, however, and especially in the public mind, the negative aspects of chemistry have come to the fore. Disposal of chemical by-products at waste-disposal sites of ...
